## *THE SPIRIT OF THE GAME / \*PLAYER BEHAVIOUR*

Cricket is a game that owes much of its unique appeal to the fact that it is expected to be played not only within its laws, but also within the **SPIRIT OF THE GAME**. Any action, which is seen to abuse this spirit, causes injury to the game itself. **The major responsibility for ensuring the spirit of fair play rests with the Captains.**

**1. There are two Laws, which place the responsibility for the team's conduct firmly on the Captain.**

### Responsibilities of Captains

The Captains are responsible at all times for ensuring that play is conducted within the Spirit of the Game as well as within the Laws.

### Players' Conduct

In the event of any Player failing to comply with the instructions of an Umpire, criticizing his decisions by word or action, or showing dissent, or generally behaving in a manner which might bring the game into disrepute, the Umpire concerned shall, in the first place, report the matter to the other Umpire and to the Player's Captain requesting the latter to take action.

**2. Fair and Unfair Play**

According to the Laws the Umpires are the sole judges of Fair and Unfair Play. The Umpires may intervene at any time and it is the responsibility of the Captain to take action where required.

**3. The Umpires are authorized to intervene in cases of:-**

- \*Time wasting
- \*Damaging the pitch.
- \*Intimidatory bowling.
- \*Tampering with the ball.
- \*Any other action that they feel to be unfair.

**4. The Spirit of the Game involves RESPECT for:-**

- \*Your opponents.
- \*Your own Captain and Team.
- \*The role of the Umpire.
- \*The Game's traditional values.

**5. It is against the Spirit of the Game:-**

- To question an Umpire's decision by word or gesture.
- To direct abusive language towards an opponent or Umpire.
- Indulge in cheating or in any sharp practice, e.g.
  - (a) appeal, knowing that the batsman is not out.
  - (b) advance towards an Umpire in an aggressive manner when appealing.
  - (c) seek to distract an opponent either verbally or by harassment with persistent clapping or unnecessary noise under the guise of enthusiasm and motivation of one's own side.

**6. Violence**

There is no place for any act of violence on the field of play.

**7. Overall Conduct**

Players, Captains and Umpires together set the tone for the conduct of a cricket match, and every player is expected to make an important contribution to this.

## Extreme Weather Guidelines

Adolescents are at particular risk of heat illness. If there is adverse weather forecast (extreme heat) for the scheduled playing day, the Board may in advance cancel play or declare an Extreme Weather Day. On an Extreme Weather Day, play will cease immediately a result is achieved.

Refer to VSDCA website for Extreme Weather Day Guidelines to be adopted to reduce the likelihood of injuries and illness on an Extreme Weather Day.

## Covers Policy

It is not compulsory to cover pitches in J G Craig matches unless directed to do so by the Board. The use of covers during a match is permitted but is only allowed at the sole discretion and under the direction of the umpires.

## Umpire Honorarium

Umpires shall be appointed to games by the Umpires' Committee and paid an honorarium (an amount determined by the Board), unless the Board notifies in advance that the game an Umpire has been appointed to will not take place. All honorariums shall be paid for by the Board.

## Approved Cricket Balls

Kookaburra VSDCA Branded Regulation or Kookaburra VSDCA Branded Club Match.

## Helmets

Helmets are mandatory when batting and wicket keeping. The VSDCA has adopted the CA standard for helmets: British Standard 7928:2013 and recommends these be worn.

# THE NUMBER ONE BALL IN CRICKET

**KOOKABURRA**  
WWW.KOOKABURRASPORT.COM

#LIVEFORTHEGAME

**RULE 1: “THE LAWS OF CRICKET” 2017 CODE (3rd EDITION - 2022)**

**RULE 2: BOARD POWERS**

The Board has the power, or may if it so wishes, delegate such power to a person or persons, to include, amend or alter the rules, guidelines or policies governing the J G Craig Competition, as it may see fit.

**RULE 3: GROUND AVAILABILITY FOR FINALS**

The Board requires all VSDCA clubs to advise the Association Secretary (in writing) by December 31 each year as to the availability of their grounds (or otherwise) for the J G Craig Finals series (Quarter-Finals and Semi-Finals).

**RULE 4: SELECTION CRITERIA**

The JG Craig Competition forms part of the Cricket Victoria Male Pathway model. The aim of ‘Pathways’ is to create great player experience and provide as many opportunities as possible for boys to play cricket in high standard competitions and experience quality facilities.

No player can participate in VMCU Carnival games, WJ Dowling & JG Craig Competitions in the one season.

Clubs must endeavour to attract ‘top age’ Under 15 players to the Craig Competition, however there are no restrictions on clubs playing top age Under 14 players or players located in country regions (Please note: Players from country regions must prioritise country games over JG Craig games).

If a club gained approval to play an under-aged player (or players) as a member of their squad in the previous season, these players must be contacted and provided with the opportunity to again be included in that club’s squad in the following season. This will be closely monitored by the Craig Management Team.

**RULE 5: PROGRAMME OF MATCHES**

5.1 Each group will play a first round series of 7 matches, the dates of which shall be arranged by the Board. At the conclusion of these matches the leading teams in each group (to be decided by the highest points or, if these be equal, by the highest percentage) shall qualify for second round of matches, the dates of which shall be arranged by the Board.

5.2 In the case of extreme weather the Board has the power to alter the

playing conditions on any given day.

5.3 Quarter and Semi-Final rounds will be played across the Groups as determined by the Board, with matches to be played on the **Home Grounds** of the competing teams which finished higher on the Ladder than their opponents at the end of the first round matches, as per the following table:

**Quarter-Finals**

- (a) 1st East v 2nd South
- (b) 1st North v 2nd West
- (c) 1st South v 2nd East
- (d) 1st West v 2nd North

**Semi-Finals**

Winner (a) v Winner (b) and Winner (c) v Winner (d)

**Final**

Winners of Semi-Final games

**RULE 6: RESULTS OF QUARTER and SEMI-FINALS.**

6.1 Should any of the Quarter and/or Semi-Finals not reach a decision on the first innings or a tie results, the winning team shall be deemed to be the team attaining the highest position in its Group at the conclusion of the first round matches.

In the event that the competing teams having each reached a similar position on the ladder after their first round matches, then the winner is to then be determined by the team which has achieved the higher number of points in the first round matches and in the further event their respective points are also equal, then the winner shall be determined on the basis of the team with the higher percentage.

6.2 In the Final match a first innings decision, if possible, will be necessary to determine the Premier Team. If not determined or a tie results, then Joint Premiers will be declared.

**RULE 7: POINTS AND PERCENTAGES**

7.1 All matches shall be played on the point system, viz.:-

- First innings win ..... 6 points
- Tie on the first innings..... each team 3 points
- Draw and/or Abandoned match..... each team 3 points

Bye ..... Nil points

Forfeit.....Maximum points in that Group and Round

- 7.2 If two or more teams are equal, in points, their respective positions shall be deemed by percentages in accordance with VSDCA Pennant Rule 5.3.

### **RULE 8: ELIGIBILITY OF PLAYERS**

**To be eligible to play in the Craig Competition, a player must be born between 1/8/2008 and 31/8/2010.** Any girls wishing to play in the J G Craig Competition **must be under the age of 16 at September 1 of the current season.**

No player shall represent more than one Club in any one season. Any Club playing an ineligible boy shall be deemed to have lost all matches in which the offender played, and may also be subject to a further penalty as determined by the Board.

Each club will register minimum 13/maximum 15 players.

Player registration must be entered online into the 'Play HQ' system **NO LATER THAN DECEMBER 7** of each season.

### **RULE 9: PLAYING CONDITIONS**

9.1 Playing hours will be 10.00 a.m. to 4.20 p.m. with a luncheon adjournment of 40 minutes, taking place from 12.50 p.m. to 1.30 p.m. Should an innings terminate after 12.20 p.m., and before 12.50 p.m., the luncheon adjournment shall be taken forthwith. **Players and Umpires are to supply their own lunch and provide their own drink bottle.**

9.2 Immediately **before tossing** for the choice of innings the Managers of each Team shall give the Officiating Umpires a list of the twelve players named to play in the match along with the names of the substitute fieldsmen to be used in that match (maximum of three permitted); and having done so, no alteration shall be made without the consent of the opposing Team Manager.

**NOTE:** Of the twelve players named, only eleven of these players shall be permitted to participate as batsmen, and only eleven shall be permitted to bowl or keep wickets (i.e. the batting twelfth man and the bowling twelfth man may be two different players). The bowling twelfth man is not permitted to keep wickets. The team declaration form must indicate which player will not bat and which player will not bowl or keep wickets.

9.3 A player who participates in a game as a 'fielding substitute' will not be included as a game for Finals qualification. Only players recorded on the

official Team Sheet as recorded in Play HQ prior to the commencement of the game will be used for Finals qualifications. Non-participants in any game should be removed from the Team Sheet prior to the game commencing.

9.4 In all matches if the innings of the side batting first has not been previously completed, it shall be compulsorily closed on completion of **45 overs**, whereupon lunch shall be taken. When the completion of the **45 overs** occurs after the time scheduled for lunch, the luncheon adjournment shall be reduced accordingly with play to recommence at the scheduled time for resumption, and only then provided there has been a minimum luncheon break of 30 minutes.

9.5 Following completion of the innings of the side batting first, the innings of the side batting second may continue for a maximum of 10 overs after the score of the side batting first has been passed, except in the case where the Coaches have agreed to conclude play once a first innings result has been achieved or on 'Extreme Weather' days.

9.6 Where both sides have completed an innings the match shall end.

9.7 **No bowler shall be permitted to bowl more than nine overs in any innings. In addition no bowler, either fast or slow, shall be permitted to bowl more than five consecutive overs in any innings. The break between spells shall be a minimum of 30 minutes, including scheduled intervals, and any unscheduled breaks in play.**

**A bowler who has bowled less than five consecutive overs, may resume bowling prior to completion of the break, but this shall be considered as an extension of the same spell and the maximum spell limit of five overs shall apply. Following completion of the extended spell, the normal 30 minute break between spells shall apply. **Note: The Laws of Cricket 2017 Code (3rd Edition - 2022) Law 24.2 regarding fielder absent or leaving field applies.****

9.8 A penalty of one run shall be scored for a no ball. This penalty shall apply irrespective of any runs scored by the batsman, or any runs scored in the form of byes or leg-byes.

Either Umpire shall call and signal no ball for any delivery which passes, or would have passed, above the shoulder of the striker standing upright at the crease.

9.9 If time is lost before or during the game, the remaining time shall be divided by two, the team batting first shall be entitled to bat for a period of ten minutes less than half the remaining time, or for a total number of balls determined by subtracting from 45 overs one over for each three and one-half minutes of time lost.

Where the maximum overs are reduced for either innings, because of interruptions, the limit for a bowler shall be one-fifth of the adjusted maximum, except for any bowler who has already exceeded the reduced limit.

No further deliveries shall be made by a bowler who has reached or exceeded a re-calculated limit, except to complete an over previously commenced by him.

Where the re-calculation of a bowler's limit results in a fraction, the limit shall be raised to the next higher number for as many bowlers as is necessary to absorb the balance in whole overs.

A part of an over bowled under the provisions of Law 17.8 of "The Laws of Cricket" 2017 Code (3rd Edition - 2022) shall count as one full over in the limit of each bowler concerned in that over.

All other conditions, as stated above, will still apply with the exception that the number of balls be changed to read as determined by this paragraph.

"Wide Ball" – the definition as contained in Law 22 of "The Laws of Cricket" 2017 Code (3rd Edition - 2022) shall apply to determine whether a delivery is wide.

- 9.10 If play has not commenced by 2.30 pm the game will be abandoned.

Over Reduction Limit Match Abandoned

If the aggregate of time lost during the first batting side's innings reduces the number of overs for that innings to less than 20 completed overs, the match shall be abandoned.

- 9.11 Where a batsman has been retired by his Team Manager or Coach, in order to give a lower order batsman a chance to bat, this shall not count as a dismissal, however the batter cannot return to the batting crease to continue their innings. The player would be considered "retired – not out" in compiling match results and averages.

- 9.12 The Home Club will supply new four piece approved balls. The team fielding second shall also be supplied with a new ball of the same type and brand. A new ball will be used in the first innings of each team in Quarter and Semi-Finals, supplied by the Home Club, and in the Final, supplied by the Association.

- 9.13 No more than three substitute fieldsmen may be used by any one Club in any one match.

- 9.14 No one shall field closer to the batsman than half the pitch's length from the batsman's middle stump. With the exception of those in the slips quadrant and the wicket-keeper, no player shall be allowed to enter the restricted zone until the ball is struck by the batsman, strikes the body or equipment of the batsman or passes through to the wicket-keeper.

If a player enters the restricted area after the bowler has released the ball and before the ball is struck by the batsman, strikes the body or equipment of the batsman or passes through to the wicket-keeper, the umpire at either end shall call and signal no ball. If a player enters the restricted area before the bowler releases the ball the umpire shall prevent delivery of the ball.

- 9.15 No player can participate in any Finals game unless they have played a minimum of 3 'home & away' games throughout the competition.

#### **RULE 10: COVERS**

- 10.1 It is NOT compulsory to cover pitches on the evening prior to a match unless directed to do so by the Board. If such a direction is given by the Board the minimum size of the cover used should be 28 metres by 10 metres.
- 10.2 In the event of inclement weather during a match the decision to use the Covers is at the discretion of the Umpires, and should such a decision be made it is the responsibility of both teams to assist with the labour required in laying and/or removing the Cover.

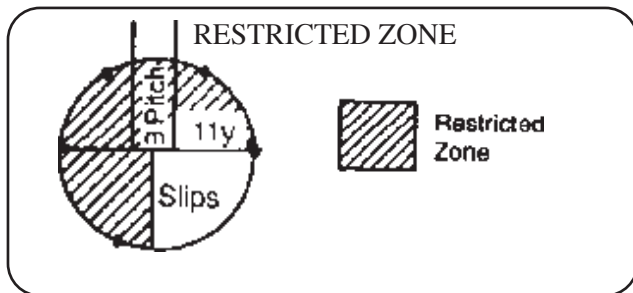

#### **GENERAL PROVISIONS AND INSTRUCTIONS**

11. It is desired that all players be taught and encouraged to observe, at all times, the ethics of the game, and any attempts at gamesmanship and time-wasting are to be stopped immediately. Under no circumstances are the decisions of Umpires to be queried.
12. Helmets Requirements  
Players must wear a cricket helmet with faceguard when  
- batting  
- wicketkeeping
13. Each Club shall supply its own material and appoint a competent person to manage its team. **Any Manager/Coach appointed must be Cricket Victoria Accredited.** Each Club shall supply its own scorer. The Home Club will be responsible for its scores to be telephoned to **Peter Flack on 9467 1118 immediately after play has concluded.** Any club failing to comply with this rule will be fined \$40 for each match of default.
14. At the conclusion of the game, one umpire will lodge a report (including player votes) online via Officials HQ by 8.00 pm on the day of the game.

## PLAYER BEHAVIOUR

15. Umpires may, at their discretion, issue a warning to any player(s) infringing “The Spirit of the game / Player Behaviour”, as per page 3 of this Handbook, and in extreme cases such player(s) may be sent off the field for such period of time, and under such conditions, as the Umpires may determine. All Umpires’ actions must be included on Match Report.
